

BELLA ALLURE IMAGERY ALBUMS

Tell your story with a handcrafted Bella album

Creating the perfect album for each of my couples is so important to me. After all, this album will be an heirloom in your family for generations to come! Like our photography, we prefer our albums to be timeless.

Albums come in 3 sizes 8x8, 10x10 and 12x12 with either a Velvet or Linen cover choice.

****A 10x10 album with 30 pages/15 spreads is included with the Wish Collection.****

The 8x8 album is considered a companion album and is perfect for a Parent or Family member gift.

Our 12x12 luxury album is the perfect size to display your Wedding Story with larger images in each spread and is our most popular design.

To ensure the image selection and design process is easy and enjoyable, a complimentary one hour consultation with my album designer is included to help go over options and preferences. I will work with my designer to make a first round draft of the layout for you to review. I will choose images along with your 20 must have chosen portraits, that I feel best tell the story of your day, and collaborate with my designer to create a clean and classic album design using those photographs.

Once the first draft is ready, you and your spouse can review the design. You can request image swaps or layout changes to adjust the album to your liking. Two revisions are included and can be made on the design before it is ordered. Additional revisions can be made at \$50 per spread change.

With your comments, we will make the desired adjustments, and send a new draft once it's ready. Once the album has your stamp of approval and you totally love it, we'll send the album to print!

If you would like to upgrade your 10x10 album (\$2,000 value) to a 12x12 album it is only a \$500 upgrade.

To add more pages/spreads to your album it is \$50 per spread. Albums can hold up to 50 spreads.

FREQUENTLY ASKED QUESTIONS

How do I order my album?

First, let's schedule a 1 hour consultation with our album designer to go over the album options and design. Once the meeting is complete an invoice will be generated with everything you've ordered. If you have ordered any upgrades, payments will need to be made in full before the design process can begin.

How many images do I get in my album?

We do not have a standard design of how many images will go into an album. It depends on the amount of spreads you order. On average each spread could contain either 1 long pano and then 3-4 images on a page. We design our album with a storytelling and visually appealing layout rather than fitting as many images per page as possible. You will get to choose 20 of your favorite images to be included in and we will create the rest! If there are any images that you would like to request we avoid please do not hesitate to inform us on the order form. In your private online gallery you can place a "heart" by your favorite images.

Do you offer shipping?

Yes! We can ship you your wedding album right to your doorstep for only \$29.95. Shipping is included with albums included with the Wish Wedding Collection. Do we offer international shipping? Yes, that depends on the country and taxes etc. Wedding Collections that included an album have complimentary shipping.

*Florida Residents are subject to sales tax

When do I receive my design proof?

Our typical turnaround time on design proofs is 4 weeks from your video consultation. Once your album is ordered expect 2-3 weeks before arrival as our albums are custom made.

How do I pay for my upgrades?

After you confirm your design proof we will email you an electronic invoice where you can safely and securely pay for your upgrades.

What is the most popular album?

95% of our couples chose to upgrade their album to a 12x12 for larger images and anywhere between 40-50 spreads. Our most popular cover choices are the **Oyster shimmer linen** for Disney Weddings and our Acrylic cover with linen binding. We suggest choosing one of your wedding colors for the album fabric or White/cream and leather never go out of style! Next would be the 8x8 parent/family albums. Most couples order 2 for each family as a gift.
